**INFORMATION DISCLOSURE STATEMENT  
UNDER 37 CFR §§ 1.97 and 1.98**

Sir:

Applicant hereby notifies the U.S. Patent and Trademark Office of the documents (copies attached) which are listed on the attached Form PTO-1449 and which the Examiner may deem relevant to patentability of the claims of the above-identified application.

The relevance of documents AB, AC, and AE to the subject matter of the present invention is apparent from the English translation of the international application identified above. Documents AA, AD, and AE are cited in the International Search Report (copy attached) generated in connection with the international application. Documents AB, AC, and AE are discussed in an Office

Information Disclosure Statement dated September 10, 2004

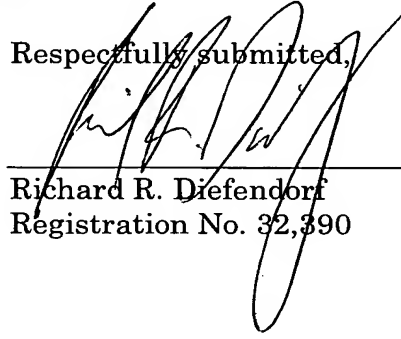

Action (copy attached, with English translation) generated in connection with German priority application 102 10 866.8.

The present Information Disclosure Statement is being filed (1) no later than three months from the application's filing date or (2) before the mailing date of the first Office Action on the merits (whichever is later), and therefore no certification under 37 C.F.R. §1.97(e) or fee under 37 C.F.R. §1.17(p) is required.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

September 10, 2004

Respectfully submitted,
